# HOW IT WORKS

We know we do things a little differently here, so if it's your first time dining with us, allow us to give you a quick explanation of your options.

Our made to order meals come in two packages:

## OLD FASHIONED DINNER PLATES

A full three course meal! Start by ordering any of the entrees in this menu. Each comes with a served side. Premium sides have a small upcharge.

You probably noticed our huge salad bar as you walked to your table. Head on up there and fill your plate as many times as you like... it's included free with all Dinner Plate meals!

## BLUE PLATE MEALS

Prefer a lighter meal? Look to the separate menu handout page for our Blue Plates selections. Blue Plate Meals include a main dish/sandwich and your choice of served side. You'll notice lower prices on these.

Of course, you can always choose one of these meals and add the salad bar for just \$2 more.

## SALAD BAR

Some folks enjoy our salad bar as a meal in and of itself.

## HELPFUL THINGS TO KNOW

- Feel free to share entrees ... it's a great way to try something new... but our salad bar cannot be shared.
- We are happy to provide to go containers for leftover entrees. Any salad bar to go items can be purchased as an add on to your meal. A large box is 6.29, a small box is 4.79, and a cup is 2.79.
